The claim form will be provided to successful grant applicants once the project has been approved. The applicant will need to be aware of the following requirements when claiming funding from Cadwyn Clwyd:

Evidence requirements when submitting a claim:

1. **Copy of Paid Invoice(s):** showing 100% of the costs claimed for. Copies of backing invoices must be made out to the organisation claiming or receipts where appropriate. Photocopies must be certified by a relevant officer in the organisation. Cadwyn Clwyd finance officer will need to view the original documents/invoices. Invoices will be checked to verify if they are in line with the project application.
2. **Bank Statements:** to prove that the organisation reclaiming costs from Cadwyn Clwyd have defrayed the costs. Photocopies must be certified by a relevant officer in the organisation. The name of the organisation and account number and sort code must be clearly visible. On-line statements are acceptable but if this does not show name of organisation please also submit one copy of a bank statement so we can evidence the name of the account etc. Original bank statement should be available to be viewed by the Cadwyn Clwyd finance officer.

Please note the Claim Form needs to be signed by both the 'project officer' or equivalent and a Senior Officer who has the authority to submit the claim on behalf of the organisation.

Procurement

All projects funded must demonstrate value for money and open and transparent procurement of goods and services.

Projects must adhere to the following requirements for procuring goods and services:

It is advised that all applicants sought advice from the project officer before starting any procurement exercise.

Final Value of Goods/Services (excluding VAT)	Requirement	Action
£0 - £2,499	One written quote*	

£2,500 - £24,999	At Least Three written quotes*	3 written quotes or prices sought from relevant suppliers of goods, works and / or services
£25,000 +	Formal tender process *	For projects which receive more than 50% SPF/Public funding they will be required to advertise through the www.sell2wales.gov.wales portal (Officer support and assistance will be available if required).

On like-for-like quotations the cheapest quotation is taken as the chosen supplier. There are, however, some instances when it would not necessarily be appropriate to take the cheapest quotation. These tend to be services where the finished product can vary greatly depending on the supplier, and a written specification cannot pin this down. For example, commissioning an expert to write copy for a booklet, or engaging with an artist to create artwork. In these instances a scoring process can be built into the procurement process, with details of how the supplier is selected clearly outlined in the specification document provided to the providers. If the project wishes to undertake a scored procurement they should contact their Cadwyn Clwyd Project Officer, who will work with them to prepare a specification document.

A typical scoring breakdown would be as follows:

<ul style="list-style-type: none"> • Value for money (20 marks) 	20%
<ul style="list-style-type: none"> • Approach, Experience and Knowledge 	80%
<ul style="list-style-type: none"> ○ <u>Response to the brief (40 marks)</u> Evidence that the consultant fully understands the brief and a clear explanation of how the contract will be delivered with proposed timescales ○ <u>Experience of the Consultants (40 marks)</u> Relevant skills of the consultant and experience of working on similar projects
